

Every 9 Seconds

- ◆ Every 9 seconds a woman or child is beaten in the U.S.
- ◆ Thirty percent of Americans say they know a woman who has suffered an incident of domestic violence.
- ◆ Domestic violence is the leading cause of injury to women.
- ◆ Children who witness violence exhibit a range of problem behaviors including depression, anxiety and violence towards peers.
- ◆ Domestic violence, child abuse and youth violence are inextricably connected.
- ◆ Domestic violence in the US costs an estimated \$67 billion annually.

The numbers are scary but we don't have to feel helpless. There are hundreds of organizations working to reduce domestic violence. They are doing what they can. We Can Help. WE CAN MAKE A DIFFERENCE.

*Thank you for
taking a stand with us against domestic violence.*

New Jersey
Chiropractors

It's time to make a difference

One important way we can help is by raising money to protect victims of domestic violence. That's why "Chiropractors Opposing Violence" was formed.

During the week of May 4th, chiropractors across NJ will be taking financial donations in exchange for their time and services. Every dollar donated will be used to support local shelters sponsored by NJCBW, (New Jersey Coalition for Battered Women).

At C.O.V. offices May 4th-9th

- ◆ New Patients making a \$30 donation receive a full chiropractic examination and needed x-rays. *(normal fees vary but can be as much as \$195.)*
- ◆ Current Patients making a donation can receive one adjustment during the week of May 4th at no charge. *(Normal fees vary for this service but can be as much as \$45.)*

The NJCBW is a state wide organization with sponsored shelters in every New Jersey county.

County:	Shelter's name:
Atlantic County	Atlantic County Women's Center

Union County	Project:Protect
Warren County	Domestic Abuse & Rape Crisis Center

Show that You Care

Over the last five years, C.O.V. was able to raise over \$25,000 for victims of violent domestic situations. But remember, the more you help us the more we can give.

Bring your family. Bring your friends. By making a donation during the week of May 4th you'll be helping a good cause at the same time you're helping to stay healthy.

Together we can make a difference
And can stop the violence.
